PRINCIPALS REPORT

Term 2 is off to a great start and the students are working well and seem happy to be back with friends and teachers. Thankyou to those parents who attended our Anzac ceremony last week and thank you as well for any flowers sent to the school. As usual we had the support of members from the Retired Naval Association as official guests. They also spent time talking to many of our senior students after the event. Congratulations to our senior students who led the celebration.

Winter school uniform/clothes

The cold weather has arrived so please remind students to look after their warm clothes. Parents are asked to check that all items of clothing have names clearly marked. As it is during these colder months when children arrive to school rugged up with layers of clothes that when they warm up when playing, they take off a layer and forget to collect it when the bell goes. The items of clothing will be returned to children if they are labelled but lost forever if not.

We have many different styles of school uniform that are within the acceptable school uniform code. Our uniform shop sells many styles of jumper or jacket, pants, skorts, shorts and track pants. We have summer and winter dress for girls. Year 6 has the end of year jumpers and now we also have a sport uniform. Please take care to know what uniform is acceptable for what day and event. Sport uniform is only to be worn on Fridays and Sport Carnivals unless a special sport event is on and students will be asked to wear sport uniform on that day. Girls should be in winter dress now – if you do not have a winter dress then any of the other styles of uniform are acceptable but not the summer dress – that is to be worn in Terms 1 and 4. Black shoes are to be worn every day. Not white or various fluorescent colours. Uniform also extends to socks, stockings and adornments for hair and jewellery – white socks, blue (not black) stockings, blue or white hair clips etc and safe jewellery (sleepers, studs, watches are ok, while dangle earrings, bracelets etc are not OK as they may be caught in games and cause injury).
NAPLAN
Next week from Tuesday 13th May until Thursday 15th May, our students from Years 3 and 5 will sit the National assessment known as Naplan. Most parents are familiar with these assessments. The tests will be for Language Conventions and Writing - Tuesday, Reading – Wednesday and Numeracy- Thursday.

Parents are encouraged to be calm about these assessments. They represent one snapshot in time of how your child is progressing. They are not meant to be a tool for us to compare a child to others but to use as a measure to compare that child's progress to his/her own as he or she progresses through school. Children sit the tests every 2 years (Years 3, 5, 7 and 9) and they can become a great measure of the child's journey through those subjects.

Unfortunate media intervention with these tests have led to parents and schools using the tests as some form of measuring stick and a tool to compare students and schools. One of the greatest aspect of the tests is the wonderful information that they give to teachers about the performance of the child and strategies to support improvement for that child in the area of difficulty. At schools we use a lot of formative assessment to support the gathering of information for teachers so that they know where to next in the learning journey for your child – remember Naplan is only one of these assessments.

If parents are calm, students will be calm and a more authentic assessment is likely.

This term is a short one (only 9 weeks). It is a very busy one too. I do hope students and families stay safe and healthy with the advent of the cold and flu season. We will be reminding students in class about safely using tissues if needed—blow, then throw into the bin and wash hands. Staying warm and dry is also important. Let us hope that not too many school days are lost to winter illness (for students and staff!).

I wish all mothers and grandmothers a very special Mother’s Day this coming Sunday... Have a great day.

Gail Cornford
Principal

OC PLACEMENTS FOR 2015
Parents seeking opportunity class placement for Year 5 entry in 2015 are required to submit an application by 16 May 2014. Generally students are in Year 4 in 2014 when applying for Year 5 entry in 2015. The Intention to apply form has been sent to all New Lambton South Public School students in Year 4. Only return this form if you are intending to apply for placement. Parents seeking opportunity class placement for students in 2015 will be able to apply for up to two schools of their choice. It is expected that parents will make appropriate decisions when choosing a school that is within reasonable travelling distance. Parents are strongly encouraged to give careful consideration to the time taken and modes of transport involved when choosing a school with an opportunity class. Parents of students currently enrolled in a NSW public school with access to the internet, a printer and their own email address (not the student’s) should apply for opportunity class placement online by going to this internet website: www.schools.nsw.edu.au/ocplacement.

Online applications open on Monday 28 April 2014. All other applicants must complete an official printed application form. Late applications will not be accepted after the closing date of 16 May 2014 except in areas where there is a shortage of suitable candidates.

Book Fair

Monday 12th May – Thursday 15th May

Our May Book Fair will be held next week in the school hall. Students will be able to purchase books with their class in allocated times. The Fair will be open each morning at 9am for students with parents. The Fair will also be open Monday afternoon until 4pm. Parents are welcome any time through the day to either look at or purchase books.

Buying days: Monday 12th: KS  KD  KP  KF  56C  56G  56E  56S

Tuesday 13th: 12H  1F  23M  2D

Wednesday 14th:  1W  2O  34C  34D  34T  45M

Thursday: the Fair will be open until 10:30 for last minute purchases

Many thanks for your continued support with both Book Club and our Book Fairs. We have been able to buy many new books for the library through these.

Vicki Tweedale - Teacher Librarian
REGIONAL CROSS COUNTRY
Good luck to Jayden Ashbourne, Matthew Novak and Huw Jackson who are participating in the regional cross country carnival this Friday at the Newcastle Jockey Club. We know you will do your best and compete with great sportsmanship.

50 DAYS OF KINDERGARTEN
What a wonderful celebration we had on the last day of Term 1 when Kindergarten celebrated their 50th day at 'big school'. We fed sausage sandwiches to over 200 kids and parents! The celebration finished with each kindergarten class performing on the stage and the finale involved all the children dancing to a very funky song. The children have grown in so many ways in only 50 days and a lot of this is due to the hard work of our gorgeous kinder teachers. It really is a specialist job!

A huge thankyou to Andrew Etwell and Mr Stafford for cooking the BBQ and to Miss Metcalfe for her help also.

Sandra Holland

ATTENTION TILE TRADIES!
WE NEED YOUR HELP
Dear Parents
Attention Tile Tradies! The Aboriginal Education Advisory Committee and the Visual Arts Committee within our school are working together to create some artistic works within our playground. This term we are looking to create a tile feature wall. We are putting out a request to parents with a knowledge of tiling to give us guidance and also assist with the finished project. If you are a tradie or know of a tradie with this experience or knowledge your help would be greatly appreciated. Could you please contact the school with your details and I will give you an idea of what we are hoping to achieve.
Looking forward to working with you.

Laurel Staden
Aboriginal Education Advisor Committee
And Visual Arts Committee
Project Co-ordinator.
SCHOOL BANKING
For your chance to win a share of exciting prizes, simply make three or more deposits every MONDAY at school during Term 2 and you’ll be automatically entered into the competition.

Major Prize.
- Five nights’ accommodation at the Sea World Resort & Water Park on the Gold Coast;
- VIP Passes for two adults and three kids to Sea World, Warner Bros. Movie World and Wet ‘n’ Wild Gold Coast;
- A Dolphin Family Aqua Adventure; and
- A $3000 travel gift card to get you there.

Runner up Prizes.
130 Toys “R” Us Gift Cards to the value of $250 each to spend on your favourite toys.
PLUS, a separate draw of $1000 cash for one school in each state/territory.

So come on NLPS let’s get saving and remember your deposit can be as little as twenty cents just as long as you make 3 deposits!

NEW GOVERNMENT DENTAL SCHEME
Have you heard about the new government dental scheme “Child Dental Benefits Schedule”? From January 1st 2014, it is providing eligible kids with $1000 to spend on selected dental services over a 2 calendar year period. This great initiative expects to help around 3.4 million Australian kids between the ages of 2 – 17 years.

To benefit from this scheme, children must be eligible for Medicare and the family must be in receipt of Family Tax Benefit part A or receive a relevant Government payment. Services that will be covered include: examinations, x-rays, cleaning, fissure sealing, fillings, root canals, and extractions. Benefits will not be available for services carried out in hospital, or for orthodontic or cosmetic dental work.

To see if your kids are eligible, call your local Dentist who can look up the information for you.

KD NEWS
This week we are learning the sounds ‘ie’, ‘ee’ and ‘or’. In maths we are learning about position and revising our number skills. We have started our weather unit and are keeping a daily weather diary.

KF NEWS
Welcome to Week 2! This week KF will be busy learning all about weather. We have investigated what we already know about it and listed some new things that we would like to learn. We are starting a weather diary, so that we can track any changes or similarities day to day.

In maths we are wrapping up our unit on position and continuing to develop our number skills. Our sounds for the week are ‘ie’, ‘ee’ and ‘or’.

Thank you to all those students who returned their reading folders on Friday. Please bring them back on Wednesday so that another new book can be sent home. It is wonderful to see the student’s enthusiasm towards reading and I can already see improvements in their reading behaviours.

Now that the days are getting colder, could you please send your child to school with a labelled jumper. We don’t want too many runny noses in KF! Enjoy your week!

KP NEWS
KP have been very busy settling back into Kindergarten for Term 2.
Homework folders went home last week and I know that lots of good work has been happening at home.
Please return the folders to school every Wednesday and Friday so new readers can be handed out.

This week we are learning the sounds ie, ee and or.

We have been learning about position in Maths and are continuing to work on our number and counting skills.

KS NEWS
Welcome back to Term 2. We are having Reading groups this term with Parent Helpers. Please return the note about this if you are able to help. Our sounds this week are ‘ie’ and ‘ee/or’. Homework folders are due back on Wednesday. If you have any problems with the homework please let me know. This term we are studying the weather and continuing to learn about ourselves.
1F NEWS
1F students have got straight back into their learning and class routines. It is a pleasure to observe how much our class has matured in work habits since the start of the year. A hardworking class!

Term 2 timetable
Monday – Students to return talking and listening homework.
Wednesday – Library - please remember to bring your library bag.
Friday – Students to return home readers. Sport Friday morning.
More tasks have been set for Bug club and Mathletics on-line homework

Wednesday and Thursday – As of term 2 parent helpers are invited to come and listen to our fabulous readers from 9.30 - 10.15am. Please sign in at the office and meet us at the classroom. A big thankyou to all the mums who supported 1F in reading in term 1.

Please see the note sent home in homework folders with regards to book boxes that we are starting from week 2, this term. The students are very excited to be bringing in books from home to share with their peers.
1F teachers

1W NEWS
Last week we learned about the meaning of ANZAC Day and why it is important that we remember those who went to war and the sacrifices they and their families made. The children displayed lovely manners and were very respectful during the ceremony on Friday.

This week we have started our weekly speaking topics in news time. We have talked about the way public speaking begins and how it is not necessary to tell everyone what you are going to speak about, because they will know when they listen to you. We are learning about pronouns and how they are used to replace the noun in sentences, and looking at number patterns in Maths.

1/2H NEWS
Welcome to Term 2 and another wonderful term of learning. 1/2H have come back to school energised and as enthusiastic as always. We have jumped straight into literacy and numeracy with lots of amazing writing about the student’s holidays. A question everyone wanted answered was what has happened to our meal worms over the break. The meal worms grew significantly during the holidays and we finally have darkling beetles. Everyone was very excited!

Don’t forget if you are wanting to help with reading this term please complete the note sent home last week and return it to school on Wednesday. Also please remind students to return and change their home readers regularly.

2D NEWS
There is no news from 2D this week.
2O NEWS
Welcome back to Term 2 another busy term is planned. We are focusing on reading fluently and comprehending texts. We have been practising creating addition and subtraction facts using dice, dominos and playing cards. Notes have been sent out for the Athletics Carnival please return these with payment to the black box outside the office. Just a reminder to place the permission notes inside the payment envelopes. Year 2 that are turning 8 this year will be walking to Alder Park for sport for the next 2 Weeks for trials for the Athletics Carnival in week 5. Any parents that are able to help by listening to children read are welcome on Monday, Tuesday or Wednesday morning at 10am or Thursday morning at 9.30am.

2/3M NEWS
Welcome back to Term Two. I hope you all had a fabulous break. Below I have listed the special events that happen in 2/3M on a weekly basis.
- Library is on Monday
- Computers is on Tuesday
- Art is on Thursday
- Sport is on Friday. For the first 3 weeks we are focusing on athletics skills in sport in preparation for our school Athletics Carnival in week 4. The 8 and 9 year olds in our class will be doing sport with the primary students until week 5.

Stage Two received their homework grid this week and Year Two will receive their homework sheet next Monday. Please remember to continue to do your home reading every night. I have set new tasks on Mathletics for all students and allocated new books on Bugclub for those who needed them.

3/4C NEWS
There is no news from 3/4C this week.

3/4D NEWS
There is no news from 3/4D this week.

3/4T
3/4T had a very settled week to kick off what will be a very busy term. We welcomed Riley to our class and are very excited to have him join us. Year 3 students are busy preparing for NAPLAN which will commence in Week 3 of this term. There are example test papers based on the Literacy component of NAPLAN on Reading Eggs that children can access and complete at home.
This term students will be learning about Australia as part of our HSIE Unit of Work. Our banking day is now Monday and sport will now be held after lunch every Friday to coincide with PSSA.

I’m looking forward to another exciting and fun term with 3/4T.

4/5M NEWS
4/5M have been debating whether computer games are good for us, and there have been many strong arguments...mainly for the affirmative! They wrote an exposition on their argument and Year 4 will be debating it this week as part of their Stage Assembly. We have also changed our reading to include a "Genre Wheel" which encourages the students to read a variety of texts across genres such as fiction, history, poetry and picture books. Research tells us that this increases comprehension and vocab knowledge. Students are also reading one-on-one to Mrs Mac regularly. If you haven't returned your note with best times for Mrs Mac to call to discuss your child’s progress, please do so soon.

5/6C NEWS
Our year 6 jerseys have arrived! They are great quality and we are very happy with them!
Welcome back parents and students. I hope you all had a fantastic Easter break. We’re already into week 2 of this 9-week Term so it will be a busy schedule ahead! Please check the calendar and ask your child if they have received any notes recently. So far in Maths we have been learning about order of operation and BIDMAS. Ask your child to see if they remember what it stands for. For the next few weeks we are going to be focusing on place value, problem solving, 24hr time then fractions and decimals.

We have started Australian Government for HSIE and in English we have begun a book called Hitler’s Daughter, which is a novel by Australian children’s author Jackie French. This book has many themes that link in with our unit on Government and also examines ethical and moral dilemmas and the creative process in making fictional characters.

Just a quick reminder that Term 2 homework has been issued to students and NAPLAN testing will begin next week for the Year 5s. Have a great week everyone!

This term stage three will be learning about government and democracy. The OC will be doing a project where you have to make your own island society. In this society you will have to have a government, farming industry, houses, shops, flora, fauna, cultural beliefs/religion and anything else you need to run your community. In the OC we are also working on the book ‘the Giver’ because we are also learning about utopia and dystopia.

By Kristiana and Hannah

Last week 5/6S started doing our Premier’s Sporting Challenge. We also did our Australian Identity, what makes us Australian. Then we looked at fractions and had to order them from smallest to biggest. On Friday we began the Athletics Trials and it will continue over the next 2 weeks until the Athletics Carnival in week 4. We also had our Anzac Day service and looked at Gallipoli and war.

Natasha

Mrs Neinert-Gardener
VISUAL ART NEWS
Stage Two Visual Arts 'Dogs'.
Students from 4/5 M and 3/4D have finished painting their ceramic dogs and are very proud to show off their results.

COMPUTER ROOM NEWS
This term we have been learning about using the tabs in Word. The Format tab has allowed us to make great Mother’s Day gifts.
Stage 1 has learnt how to draw and fill heart shapes while Stage 2 have used patterns and Publisher to make cards. Hope you like them!

P&C NEWS
REMINDER: -
Our Mother’s Day Stall will be held this Thursday 8th May, so please remember to send some $$’s in with your children on the day.

Another great Mother’s Day gift idea: - We also have our 2014/2015 Entertainment Books on sale now! Please see details below.

The NEW 2014 | 2015 Newcastle Entertainment™ Membership has been released, and this year you now have a choice of;

- The traditional Entertainment™ Book Membership that comes with the Gold Card and vouchers,

-OR-

- The new Entertainment™ Digital Membership that puts the value of the Entertainment™ Book into your iPhone or Android smartphone!

- Selling for just $60 each, you can purchase your new Entertainment™ Membership today for delivery prior to the upcoming school holidays.

Lastly, a reminder that our next P&C meeting will be held on Wednesday 21st May, so add the date to your diary now! If there are any items you would like added to the agenda, please let me know. There will be an agenda published in the newsflash next week. We hope to see you there.

Have a great week!

This week the new winter menu has started however if you haven’t received a copy just call into the canteen and collect one. Please be aware that there will be some price rises on selected items.

Fruit available this week include red and green apples, oranges, watermelon, grape cups and mandarins.
ETHICS CLASSES BEGIN!

It is with great excitement that we will have our first Ethics class starts at New Lambton South PS this term.

Thank you to all the parents and carers who expressed their interest and support for the program.

Also a big thank you to the first 3 Ethics teachers, Natalie Sutherland – ready to start Week 2, Lori Phillips and Bernadette Curran -still training, who are volunteering their time to complete Ethics Teacher training and run the classes.

I say 'first' 3 teachers as the expression of interest from families to have their children enrol in Ethics has been so wonderful we will be looking for at least 2 more teachers to ensure the program can be ran across all Stages.

The curriculum content is taught on a stage-by-stage level - Stage E1: Kindergarten, Stage 1: Years 1-2, Stage 2: Years 3-4 and Stage 3: Years 5-6.

The curriculum comprises age appropriate lessons on a wide range of topics that children will find interesting and engaging.

We will be starting with a small group from Stage 3 in Week 2 Term 2 and those students who have nominated to do Ethics classes will receive an information note to take home that outlines the details of the program including curriculum topics and ways in which families can be kept updated on what their child/ren are discussing and learning in Ethics classes. Due to high numbers and so far the limited trained Ethics teachers, we will be rolling out the Ethics class opportunity starting with Stage 3. One group will start in Week 2 and additional groups will start as we have new teachers trained. If your child is not in the first Stage 3 group or in Stage 2 you will need to be patient with us as we recruit more teachers and roll the program into our school.

If you are interested in becoming an Ethics Teacher, or know someone who may be, please fill out the expression of interest below and return to the office or feel free to give me a call and have a chat about what is involved or go online to primaryethics.com.au

We are looking forward to an exciting and thought provoking term of learning!

Lee Upton
Ethics Coordinator
